

# Lifetime ISA

Save up to £4,000 each year, and receive a government bonus of 25% – that’s a bonus of up to £1,000 a year. You can use some or all of the money to buy your first home, or keep it until you’re 60 – it’s up to you.

---

open a Lifetime ISA account between the ages of 18 and 40, and any savings you put into it before your 50th birthday will receive an added 25% bonus from the government

---

accounts will be available from April 2017

---

there is no maximum monthly contribution – you can save as little or as much as you want each month, up to £4,000 a year

---

the total amount you can save each year into all ISAs will also be increased from £15,240 to £20,000 from April 2017

---

## use it to save for a first home

---

your savings and the bonus can be used towards a deposit on a first home worth up to £450,000 across the country

---

accounts are limited to one per person rather than one per home – so two first time buyers can both receive a bonus when buying together

---

if you have a Help to Buy: ISA you can transfer those savings into the Lifetime ISA in 2017, or continue saving into both – but you will only be able to use the bonus from one to buy a house

---

## use it to save for retirement

---

after your 60th birthday you can take out all the savings tax-free

---

you can withdraw the money at any time before you turn 60, but you will lose the government bonus (and any interest or growth on this). You will also have to pay a 5% charge
